A NEW CHALLENGE AWAITS US IN NASHVILLE, TN

SLAM mobilizes students to live a mission in imitation of Jesus by serving the poor and marginalized through community service.

We are heading to Nashville, TN to serve in a whole new way! The past few years we have been a part of an amazing thing called a week of hope. God helped us serve in some great ways and meet some incredible people. This year we are going to serve with an organization called S.L.A.M. (students living a mission). God could use this as a life changing week for you.

With SLAM we will get to know our projects ahead of time. We may even have some input as to what projects we will be doing. The leaders of SLAM want to get to know you...this will be a highly relational week!...And we plan on leaving a

day early and staying a day later to have some fun in Nashville!

A huge part of this trip is the bonding of our youth group. God has brought us so much closer together and so much closer to Him as a result of these trips...and we want you to join us!!!

If you have any question please ask Kris or one of the H.S. students that have been on a week of hope trip. Your deposit of \$50 is Due by Sunday, March 4th!

And yes...we will be doing fundraising for this trip in the Spring. Last year students earned most of the \$ for their trip working for people in the church.
